

Hello Neighbor!

Project

The Clear Lake Arts Center is excited to kick-off our ***Hello Neighbor!*** Project. This project is to help you engage in your creativity and connect with our community. Use the back side of this sheet for one of the following:

- Make a draw/painting to greet your community
- Write a poem for your neighbor
- Use it to print a photo waving hello to your neighbors

You get the idea. So take a few moments and create a greeting for the neighbors in our community.

When you are finished, you can mail it to the

Clear Lake Arts Center
PO Box 803
Clear Lake, IA 50428

or use the drop box located at our 4th Street entrance.

The collected works will be posted in the Arts Center's windows for people to enjoy on their walks. If you would like the artwork returned, please, include your address on this side of the sheet.

Need inspiration for your contribution? Check out our Creativity Prompts on our Facebook page.

*We envision the **Clear Lake Arts Center** as a dynamic and vibrant hub to promote and preserve creativity as part of every human's daily life.*

Our mission is to ignite the creative spirit by engaging the diverse community we serve and our regional audience by providing opportunities and inspiration through the visual, performing, and literary arts.
