

Creativity Prompt: *Favorite Movie*

igniting your creative spirit!

Draw a scene from your favorite movie.

Supply list:

- Paper
- Drawing materials
- Your favorite movie

Tips: Watch your favorite scene a few times before you begin drawing.

Techniques: Work quickly to capture the scene. Then refine your quick sketch.

Next Step: If you want to take this project to the next step, try drawing the scene as it is happening. Capture as much as you can. It may look crazy, however that is part of the process.
