

Creativity Prompt: *Magical Land*

igniting your creative spirit!

Create a magical land. See how many tools you can use to create it.

Supply list:

- Paper
- All of your art making materials
- Your imagination

Tips: Create a focal point and work outward from that point.

Techniques: Use dry art making material first followed by wet art making material.

Next Step: If you want to take this project to the next step, write a story about this magical land. Who lives here? Why is it magical?
