

# Creativity Prompt: *Negative Space*

---

*igniting your creative spirit!*

*This is a prompt to develop your seeing skills. Draw the spaces and shapes around the object. When you are finished, you will see the object that you didn't draw.*

## **Supply list:**

- Paper
- Pencil
- Ladder or another item that has see through spaces

**Tips:** Focus on the shapes you see.

**Techniques:** Draw lightly to get a feel for the relationship of the shapes before you make a strong line.

**Next Step:** If you want to take this project to the next step, try drawing the space around a house plant. There are many sizes and shapes to see around the plant. It's a great challenge to master.
